

EMERGENCY ALERT

The Town of Sumner is under Winter Storm Warning. Some of the Town is experiencing electrical power outages. The roads in some areas in parts of the Town are treacherous because of blowing and drifting snow. Please avoid travel, if at all possible at this time. Do not run generators or fuel operated warming devices inside your home.

Alliant Energy has assured the Town that power should be restored some time after 7 AM on Friday, December 21, 2012.

If you need shelter in the interim, please contact the Town of Sumner Emergency Management at 608-295-8291, 608-884-3674 or 608-295-4469, 920-568-2892, 608-206-2368. For emergencies, please call 911. Further updates on the power outage will be released as they become available.
