

NOTICE

CARCAJOU PARK “MAINTENANCE BURN”

Dear Neighbors of Carcajou Preservation Park,

The Town of Sumner Parks Committee and volunteers of the Town will be doing a Spring Burn of the Carcajou Park sometime within the next 30 days. It is the intent that the Burn will take place on a weekday with minimal wind as to not interfere with weekend activities. The committee will monitor the weather conditions and shall post the specific date of the burn on the Town of Sumner Web Site at www.townofsumner.com. In addition we will post at Norms Hideaway and the Town Hall.

In the interest of public health and safety we would ask for your help and cooperation as follows:

- We would like to have access to your outdoor water hoses**
- Any volunteers would be greatly appreciated**

To volunteer or give the parks committee permission to utilize your outdoor hoses please call Randy Burdick at 920-650-3652 or Rosemary Olson at 920-650-0480.

Thank you in advance to everyone in the Carcajou Park area for your support and cooperation.

The Town of Sumner Parks Committee.
